

# KUPR

## is a listener-supported radio station

Without you, we cannot stay on the air because, unlike other public radio stations, low power stations receive no government funding. Contributions of any amount are welcome and essential to keeping us on the air. No gift is too small. In-kind donations are also valuable such as the amazing music collection we received from the estate of Dr. Eddie Chelist.

Your contributions are tax deductible and fall into the following categories:
